IN C O M M U N I T Y

You've wanted to read the whole Bible for a long time now. Like the rest of us it's usually a New Year's resolution that gets broken by Valentines Day. You're busy. It starts getting tedious. I mean what are all those sacrifices about anyway? It's God's Word but sometimes it's just hard to understand right? That's all about to change. Join tens of thousands of people on every continent and in every culture around the world and journey through the epic story of God's heroic love. After a week you'll notice something shifting inside. After a month you'll WANT to be in the Bible. After a year you won't look in the mirror and see the same person. You will have been changed from the inside out.
