Two problems with Religion

1.

2.

Two Results it creates

1.

2.

Man's futile attempts to climb the Mountain

The Mountain too high to climb

God comes down the mountain

Our response:

It is only in Christ that we have access to God

There is no other name

Christianity makes sense

All other religions are man-centered

Not being able to understand is no excuse for not believing

In physical realms we live by faith—so also in spiritual realm

Not being able to understand is no excuse for not trying to understand

Prophets were intently searching

Be prepared to give an answer for the hope that is in you

Be grounded in the Word

Do not let anything rob the joy of your salvation

Not being able to understand is no excuse for not obeying Deut. 29:29

O Come Let Us Adore Him, Christ the Lord!
